

# 廟小妖風大 池淺王八多 二二八前夕 論臺獨三怪

中國許多大城市為了讓人們留下印象，都費盡心思想出一些所謂的「三怪」順口溜來標榜其特色，譬如青島的三怪中有一怪是「啤酒裝在塑膠袋」，重慶三怪中有一怪是「電梯跑得比沱車快」，到過兩地的人看到這裡，應該會發出會心的一笑。

轉眼臺灣，看到民進黨二次執政以後，臺獨份子的囂張和其許多令人咋舌的行為，筆者驚覺發現這群政治動物也有三怪：

第一怪，沒志無膽，坐井觀天喊痛快！

中國近代史上，鬧獨立並不是什麼希罕事，蔡鐸的雲南獨立，李鴻章的東南自保，毛澤東在延安，蔣介石在臺灣都是某種程度對抗中央政府的獨立行為；但以上這些人的獨立只是他們見機行事下的不得已的手段而非其目的，蔡鐸是為了討袁，李鴻章是為了躲八國聯軍之禍，毛澤東是為了解放，蔣介石是為反攻，他們最後的目標仍然是整個中國。今天的臺獨份子對目前的一畝兩分地卻很躊躇滿志，對老祖先留下來的好河山連想都不敢想，為了怕惹麻煩，甚至連釣魚臺和太平島也想放棄，金門馬祖更是想趕緊丟掉；以前鐵木真帶領幾十萬大軍征服了大半個亞歐，滿清以八旗子弟兵統一了中國，而這群臺灣毒種卻根本沒有統領全國的志氣和膽識，躲在井裡看世界，

◎范湘濤

自得其樂還高唱愛拼才會贏，簡直是自欺欺人，難道不覺得自己可憐可哀嗎？

第二怪，數典忘祖，把倭鬼當祖宗拜！

眾所皆知，除了原住民外，臺灣人的祖祖輩輩都來自福建、廣東，是百分之百的漢民族，但有少數臺獨份子對小日本卻情有獨鍾，他們對劉銘傳和蔣經國在臺灣的建設避而不談，對曾經殺人放火的日本殖民統治者在臺灣的一點恩賜卻感激涕零；李登輝這個無恥之尤，當過中華民國總統的人居然以曾經當過兩天日本兵自豪，他公然宣稱釣魚臺是日本領土；辜寬敏，柯文哲等人均以自己出身於皇民家庭沾沾自喜，絲毫不以有個漢奸爸爸為恥，奈何他哉？與日本人風馬牛不相干的名嘴鄭弘儀也恬不知恥說他爸爸是日本人，奈何他哉？臺獨份子還每年組團到日本參拜靖國神社裡的倭鬼，奈何他哉？

據傳日本二次大戰投降後，有十多萬日本鬼子隱姓埋名變成了中國人而留在臺灣，如今這批倭種可能已繁殖到了百多萬，難道這些臺獨份子中的假皇民是日本留下的真倭種？值得大家警惕！一定要把這些倭種的真面目揭露出來，把他們為什麼會抗中媚日的陰謀公之於世，

讓大家知道臺獨是假，倭種已經登堂入室是真，這不是一個政治議題，是一個民族問題，不能讓中華民族的土地不明不白的再次淪落到倭寇手中。

第三怪，厚顏無恥，貪污枉法成常態！

陳水扁貪污入獄，為了保外就醫而裝瘋賣傻，出獄後根本不在意自己的囚犯身分到處臥臥走，遇到重大聚會，竟然有大批政界大咖排隊求見，儼然一個救世主姿態，看了令人咋舌，這是個什麼世道？

蔡英文政府上任後，無法無天的追討國民黨黨產，開放日本核污染食品進口，為日本人樹碑，大砍勞工假，廣大漁權喪失，農產品滯銷，旅遊人數減少，社會已經被弄得烏煙瘴氣，他們內部權利鬥爭爭方興未艾，笑罵由你笑罵，好官他好自為之，面對抗議民眾他不屑地說：「阿莫你沒案狀」？（你要怎樣？），真是可忍孰不可忍。

看到臺獨份子在民進黨帶領下的三怪現象，想找一個形容詞來把牠總結一下，較盡腦汁，終於想到一句名言「廟小妖風大，池淺王八多」來寫照這群喪心病狂的臺獨份子。筆者諸君認為恰當否？如果你我有同樣的感受，讓我們一起努力來制止這陣妖風，來除去這些王八吧！

對年輕人而言，民進黨去中國化已經完成，但是國民黨再本土，年輕人也不可能把國民黨跟中國、中國人、中國文化切割。不承認自己是中國人的選民怎麼會把票投給國民黨。

我們不能理解，身為中國人、中華民國總統、中國國民黨主席，有什麼理由坐視民進黨用教科書進行去中國化近八年之久？只有一個可能，馬英九也認為去中國化是對的，否則怎麼解釋。僅此一端，馬英九再多的政績也抵不過這個過錯。這個過錯可能把中國國民黨及中華民國帶向滅亡。

馬英九的作為讓泛藍的朋友欲哭無淚。民調直線下滑，投票率也一再降低。

許多泛藍朋友給馬建言，馬相應不理。給馬批評、給馬壓力，又被馬迷指責破壞團結。

我常在想在西方，一個民主國家的領袖，其做風背離這個黨的理念，可能不到三天就下臺了。而我們的領袖配合民進黨去中國化近八年之久，泛藍朋友竟然忍了近八年

武之璋先生

## 配合綠營偽造二二八歷史 評民族罪人馬英九

◎武之璋

最近因為寫文章批評馬英九而遭到馬迷們的圍剿、謾罵，甚至詛咒。

有一個網友還問我「你那麼老了，如此不積口德不怕報應嗎？」我回答：「我是無神論者，我當然不怕報應。如果有神我相信神不會袒護一個出賣自己信仰的偽君子。我也不相信神會傷害一個忠於自己學術良知的知識分子」。

也有不少網友說他做了那麼多好事，為什麼不提？更多的人問他究竟做錯了什麼？

網友的回應，令我吃驚，原來泛藍也有那麼多糊塗蟲。我決定把馬的問題說得更清楚。

現在我反問馬迷們：馬英九上臺時民調那麼高現在為什麼只剩一成？

馬英九上臺前泛綠選民一直在四成以下，執政不到八年為什麼支持率接近（或已經超過）五成？

馬英九執政近八年為什麼年輕人九成五以上都不承認自己是中國人？

夠了！夠了！馬英九配合綠營偽造二二八歷史、配合媚日建八田與一紀念館，配合綠營廢軍法、配合綠營封存核四。馬的過錯真是罄竹難書。

馬英九任內做了太多親者痛仇者快的事。馬的立場搖擺，讓藍營從政同志無所適從。馬配合本土化的結果，把國民黨的主張、信仰拋到九霄雲外。馬英九執政近八年來把泛藍的理念、鬥志徹底瓦解。泛藍已經變成一盤散沙。

最重要的是，馬英九身為中華民國總統，卻縱容民進黨用教科書進行去中國化。我們都知道，新版教科書是陳水扁時代的教育部長杜正勝，弄了個體制外的教改會編輯的。藍營對於這個去中國化、媚日版本的教科書痛心疾首。我們都從馬英九上臺以後會廢掉教改會，教科書業務回歸教育部。教科書用中國人史觀舊版，或另編新版。沒想到馬上臺後，對教科書問題完全不予理會。非但不廢教改會，而且繼續聘用前朝委員。任由學校日復一日進行媚日、去中國化教育。

王曉波做主任委員，費了九牛二虎之力，改了幾個字而已，中學生一鬧教育部又縮了回去。

## 本土非臺獨 臺獨非本土 二二八應有的警惕

◎宗生智

又是一年二二八，臺獨份子又要以「皮哭肉不哭」的歡樂心情來迎接他們所謂的一年一度的大慶典，可以想像，行禮如儀之後，仍舊是那一套老戲本，繼續歪曲中國近代史，醜化國民黨，醜化孫中山，醜化蔣介石，醜化中國人，大搞所謂本土化，這些臺獨份子已經到了走火入魔的地步，有識之士必須警惕，予以反擊！

二二八這個簡簡單單的社會不幸事件，經過臺獨份子的不斷渲染，在李登輝、馬英九的配合演出之下，由日本浪人餘孽的借機造事變成了官逼民反的鎮壓，由幾百人的死傷說成了十多萬人的屠殺，由一般不幸的受害者(包括本省及外省人)，變成了有計劃對本省人的清除行動，捏造歷史到了和尚打傘，無法(髮)無天的程度，是可忍孰不可忍；歷史學家李敖、武之璋諸位先生，對二二八作了許多論述，筆者在此不再多言。

臺獨份子不但捏造歷史，他們更要濫用「本土」這個名詞，他們認為「本土」就是臺獨的商標，但我們看看正港本土如邱毅、蔡正元、黃智賢等人卻都是臺灣反臺獨的中流砥柱，再看看

之久，直到今天國民黨面臨大崩潰的時候，竟然還有一批死士不准批評他。

假如當初我們泛藍朋友沒有人對馬愚忠至此，我們一起糾正馬英九的錯誤。給馬壓力馬不會犯那麼多錯。臺灣百姓像過去一樣，認為自己是臺灣人，也是中國人。國民黨會陷入今日之困境嗎？

今天我以一個史學工作者的身分，以史學家的道德勇氣正告各位讀者，馬英九的歷史地位是「民族罪人」。

我以泛藍戰將的身分，必須指出馬英九的錯誤，知道自己、瞭解自己，才好記取教訓，才能調整策略，才能贏得勝利。

最後我正告馬迷們，你們的愚忠，對馬「愛之適足以害之」。如果認為我的話不對，歡迎以理說服我，一切不理性的辱罵只能證明你們跟綠營選民同一水準。

編者按：武之璋先生為臺灣作家、史學家。此文選自其專欄，本刊經其授權轉載。

馬英九的功過，有許多不同的評論，希望讀者賜稿，發表您的意見。

有些「中國豬」如陳師孟、顧立雄、金恆緯、謝志偉、王定宇不斷為臺獨叫吠，都是不折不扣的臺獨看門狗，再看看李登輝、金美齡、辜寬敏這群日本假皇民，完全以日本的利益為依歸，還不知羞恥打著本土愛臺的旗號卻專幹些親日賣臺的勾當，所以在此要喚醒大家不要再被蒙騙，被本土本土土混了視聽。

中國疆域廣大，人口眾多，各地方都有不同程度的排外情緒是不爭之實，上海人瞧不起外地人，四川人也看不起下江人，各地方的人也認為「老子天下第一」，本土就是中國人的本性也是臺灣人的本性，但本土並不是搞小圈圈，碰到生死存亡，榮辱與共等大是大非的問題，大家仍能團結起來，一致對外。現在臺獨份子要假借臺灣人本土的豪情，搞媚日賣國的陰謀，必然為全體中國人所不容。

中國歷史上想借外力援助而讓自己政權能夠苟延殘喘的例子不勝枚舉，如石敬瑭、汪精衛等人；他們的行為雖然可恥，但他們的腦子還是清楚的，至少他們還選了一個相對比較強大的靠山做爸爸，而如今的臺獨份子卻連這點基本算盤都沒打好，認了一個有奸殺淫暴前科又家道日落西山的鬼子作後盾，把一個窮強盜當做父親奉承，其下場不悲者幾希。輔仁大學學習賢德教授，在一篇評論二二八的文章中指出：「臺獨惡徒的報應就是武統，這也算是臺獨份子自斷生路的天譴吧！」預言是否成真，讓我們拭目以預言。

本土這個名詞，本是民進黨鬥爭國民黨的工具，沒想到國民黨內鬥也用了這玩意兒，李登輝玩弄本土分裂國民黨的前車之鑑不遠，在國民黨改選主席的前夕，要記住那慘痛的教訓，千萬不要再出現這類本土非本土的爭議，因為中國國民黨的目標是整個中國而不僅僅是臺灣一地，沒有這種抱負的人，根本不應來競選，真正愛護國民黨的人，要注意可能有些心懷叵測的老奸巨猾借改選的機會混上了黨的頭頭，請鬼拿藥單的結果是，那個頭頭可能學著李登輝的招式，把國民黨最後一次搬上壽終正寢的牌位，嗚呼哀哉...

## Will Trump Take the Right Crossroad Facing America's Dilemma

Mainstream and Organic Views  
Dr. Wordman

Despite of mainstream media's refusal of giving him a proper endorsement, Trump's victory does represent a movement and a phenomenon that a large population, bordering a majority of American citizens, is extremely fed up with 'political correctness' slogans uttered by politicians. The only meaningful yardstick that American voters could use amidst complex domestic issues and troubling foreign affairs is the question that are you better off today than eight years ago? An extension of that question is will you be better off in the next four or eight years, if the current administration and policies, most importantly the political bickering of bipartisan politics, persists? Obviously, enough citizens answered negative even with some of the supporters for Hillary Clinton, including many American elites.

Trump's victory surprised not only the American elites and a large number of American citizens but also the entire world. The result is anger now vented through protests (hopefully temporary) and media's critical watch (hopefully fair) on Trump and his team's conduct and policy changes. Yes, Trump used the presidential executive orders to illustrate his desire to keep his campaign promises. The most controversial executive order was related to protecting the U.S. from terrorism, stopping entry of Muslims to the U.S. from seven Muslim countries for 90 days. The intention was clear and consistent with his campaign statements but the media's criticism was also valid to the extent that the execution of the order would affect unfairly the international students, foreign employees and legal immigrants coming to the U.S. from these seven countries. Trump certainly has his unique personality and manners in considering issues, making decisions, communicating with the public and taking actions. The American public and the media, mandated by the result of the extremely transparent 2016 presidential election process, must understand that they either have to accept him or try to offer advice to influence him. The most sensible and constructive way

is to give him a chance, time and space, to learn the complexity and enormity of the US Presidency by expressing our concerns to him with the 'Respect' due to the Presidency. In this column we will do just that.

First, we would like to tell President Trump that many Americans agree with him. The United States is in a dilemma and the country is at a cross road even though the people may seem to be divided on many issues in different ways. The divisions all contribute to the American Dilemma we all are facing that is to continue to lead the world incurring debt or to focus on our domestic interest to make us great again. The U.S. is a rich nation with her economy becoming the largest in the world since 1920's. The U.S. is also the superpower with unmatched military strength. However, in the past two decades, the U.S. engaged in wars that drained her treasury mounted a national debt to \$19 trillion today. Hence, the US economy is weakened in contrast to the rapid development of Asian countries, especially China.

The decay of her once advanced infrastructure, dwindling of manufacturing industry, and burden of social welfare system compounded with political corruption and partisan division rendered the U.S. a stagnant economy with job loss, expense of unemployment welfare, and escalating healthcare cost. In addition, since the 9-11 terrorist attack, the US external military solution did not reduce but enhanced terrorism. National security becomes a major concern for the U.S. and a financial burden to the country. The necessary domestic measures in combating terrorism infringed her citizens' freedom and privacy and created tension among social and racial groups, distrust in government and media and unhappiness in families struggling with shrinking income. The failing diplomatic and military activities mounted her national debt and offered Americans a very dim future.

One of the crossroads of the US dilemma, continuing to lead the world

with military strength, may be characterized with the traditional American Exceptionalism; whereas the other road, focusing on US economy and welfare of her people, may be characterized by a new American Exceptionalism (national economic excellence). This is a dilemma because evidence showed that it was difficult to do both well. Although this dilemma was not articulated clearly to the voters of the 2016 presidential election, the voters seemed to have appreciated it by aligning themselves behind "Make America Great Again" (Trump) more than behind "Together we are strong. Make America work." (Hillary). Even though the popular votes were close, Trump's slogan implying an admission of problems and a promise of drastic changes won the election.

Trump's team has to understand what does 'Great' in "Making America Great Again" mean to American people; their focus and emphasis cannot yo-yo between the two crossroads. Military strength has a role to play but so does austerity in military budget to cut the waste and improve efficiency (and reduce overseas commitments perhaps) so the U.S. may put the money to make America great again. Earning money (trade), reducing national debt, rebuilding infrastructure, fixing healthcare system, stimulating industrial manufacturing capability, improving education and creating productive jobs are definitely in the 'Great' list. Foreign affairs and international relations must be dealt with care but cannot detract from the items on the 'Great' list. One may take a real estate case to illustrate the above point. When one is to renovate a home, the approach is very different from building a house for investors. The purpose of renovation of a 'home' is for the resident owner (American people) to have a great home by his definition of a great home not based on ideas attractive to others (foreigners).

In closing, we may cite an old political philosophy in ancient Chinese literature which is very appropriate for dealing with political dilemma. Citizens (people/voters) are like water. Water can float a boat (government/leader) as well as topple a boat all depending on the condition (mood) of the water. Calm water can keep a boat floating peacefully, say for people to fish in, but a turbulent water can topple a boat unexpectedly, for example, drowning the people on the boat. As the U.S. is at a crossroad and her citizens are divided, it is wise not to agitate the water to become turbulent but to focus on fulfilling the 'Great' list people wanted.
